

# PIANO HOUSE CONCERTS

**Ralph Zurmuhle** is an internationally renowned Swiss composer and pianist. He has performed solo concerts in some of the most prestigious venues in Spain. His piano music has accompanied multi-media projects, documentaries and films. This year Ralph moved from Barcelona, Spain to Tucson, Arizona, where he would like to offer house concerts.

**What is a house concert?** It is an opportunity to organize a piano performance in your living room to entertain friends and family. Home concerts allow for a personal interaction between the musician and the audience. They provide an intimate setting, in which the composer brings the audience along with him on his musical journey. This is especially true when, like Ralph, the pianist performs his own compositions and improvisations.
